

Together, we're creating healthier tomorrows.

2020 Sponsorship Opportunities

Sponsoring First Hand events provides critical support to our mission and the children and families we serve. As a First Hand sponsor, you and your organization will be among Kansas City's business elite and key Cerner leadership. Attending one of our events in person or online is an experience you'll never forget!

As Cerner's foundation, First Hand is dedicated to helping children and families achieve their full health potential. Your generosity provides necessary funding for equipment, medicine, surgeries or travel to children who don't have access to care; wellness screenings to elementary students; social-emotional support and education initiatives in middle schools; health education to high school students and families; and so much more. Thank you for helping us build healthier generations in school, work and life.

Masquerade Ball

Saturday, October 24

DEMOGRAPHIC: Business Elite, Cerner Leadership

Celebrate First Hand's 25 years of philanthropic initiatives and support the foundation's continued work to build healthier tomorrows. We're bringing our Masquerade Ball into your home complete with a live broadcast, silent auction, live entertainment and more!
